Attachment:        Replacement sheet  
                      Annotated sheet showing changes

Application No. 10/825,456

Docket No.: 65042-0443

**REMARKS**

Applicants have reviewed the detailed Office Action mailed 09/01/2005 and thank Examiner Gutman for a detailed review and indication of allowable subject matter in claims 2, 7, 8, 14, 20, and 21. Claims 1, 3 – 6, 9 – 13, 16 – 19, and 22 were rejected. Claim 15 has been withdrawn from consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected species. Claims 2, 10, 16, and 20 have been cancelled without prejudice or disclaimer.

Pursuant to the Examiners indication of allowable subject matter: claim 1 has been amended to include the key limitation of claim 2; claim 8 has been amended to include the key limitations of claim 1; claim 18 has been amended to include the key limitations of claim 20; and claims 3, 4, 6, 11, and 12 have been amended to address informalities described above. Thus, claims 1, 3 – 9, 11 – 15, 17 – 19, and 21 – 22 will be pending upon entry of this amendment. Applicants request reconsideration of the pending claims in view of the above amendments and the following remarks.

**I. Amendments to Claims**

As stated above, independent claim 1 has been amended to include the key limitations of claim 2; dependent claim 8 has been amended to include the key limitations of independent claim 1; independent claim 18 has been amended to include the key limitations of dependent claim 20. Thus, dependent claims 3 – 7, 9, 11 – 15, and 17 are allowable by virtue of their dependency from allowable independent claim 1. Dependent claims 19, 21, and 22 are allowable by virtue of their dependency from allowable independent claim 18. Accordingly, withdrawal of the rejection is respectfully requested.

**II. Amendments to Drawings**

The drawings were objected to under 37 CFR 1.83(a). The Examiner requested that Applicants show the external component of claim 10 and the lever, nut, and wheel of claim 16. Applicants canceled claims 10 and 16 without prejudice or disclaimer. The objection is respectfully traversed.

The Applicants have also amended FIGS. 4, 6, 9, 12, 13, and 14. The corrections have been made as described above. Accordingly, withdrawal of the objection is respectfully requested.

Application No. 10/825,456

Docket No.: 65042-0443

### III. Amendments to the Specification

The Examiner has objected to several informalities and appropriate correction was requested. The objection is respectfully traversed.

The correction has been made as described above. Accordingly, withdrawal of the objection is respectfully requested.

### IV. Conclusion

In view of the above, each of the presently pending claims in this application is believed to be in condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

It is believed that any additional fees due with respect to this paper are identified in the accompanying transmittal. However, if any additional fees are required in connection with the filing of this paper, permission is given to charge account number 18-0013 in the name of Rader, Fishman & Grauer PLLC.

Dated: 11-02-05

Respectfully submitted,

By
